

A woman with long dark hair is shown in profile, holding a Bible. The Bible is glowing with a bright orange and yellow light, and a large, billowing fireball of light and smoke is emerging from the pages. The background is dark, making the glowing Bible and fireball stand out.

**The Bible you Never (K)new:  
Is the Spirit still Speaking to Churches?**

**Tuesday evenings at 7:00 pm – starting February 20**

**Led by Teresa Burnett Cole (Glebe St James) – over ZOOM**

We will explore the roots of the Bible texts and retell some of the key stories to make sense of the Bible for today. Written from a scientist's perspective.
